We Lead, We Care, We are JCs!

Message from National President

This is my great privilege to be the National President of Junior Chamber International Hong Kong in 2008. This year I am going to devote myself to my beloved organization, Junior Chamber International Hong Kong and all fellow JC members.

As a past officer of Junior Chamber International, it is absolutely to be a challenge to take up the post of National President, especially Hong Kong is an ever-changing city. Members may have some expectations to their National President. Actually, I also have some expectations for myself to bring Junior Chamber International Hong Kong to a new height in 2008. Inevitably, I am going to share my international experience and apply to JCI Hong Kong when deem fit.

In 2005 Vienna Congress, over 100 countries' and areas' representatives made a resolution to promote the United Nations Millennium Development Goals (UNMDG) among their countries until 2015. It is high time for JCI Hong Kong to work with United Nations and to promote these goals, for example, the goal no. 8 - "develop a global partnership for development". This is one of the most popular topics now being promoted in Hong Kong namely Corporate Social Responsibility (CSR) and Social Enterprise (SE). Apart from the CSR, JC has organized a lot of projects related to UNMDGs in the past, such as Goal No.1 - "Eradicate the extreme poverty and hunger" and Goal No. 2 - "Achieve the primary education". As a leader and a pioneer, we shall care about the social needs to execute campaigns to arouse the public awareness about the issue with social impact. This year, the National Board encourages all affiliated chapters to continue to work with the UNMDGs program for the betterment of our society.

While comparing our JCI slogan "Be Better" to the Olympic Spirit, Olympic Spirit strives for physical excellence, such as the faster, the stronger, the higher and the farther. However, our slogan is more general to ask our members to "strive for their excellence", be a better sport men, be a better person, be a better professional, be a better businessman, be a better husband or wife and a better boss, etc. Perhaps, we might declare ourselves Olympians. Nonetheless, "Be Better" is the core value of JC. As a true JC, I really want all members could proudly declare themselves "We are JCs". "JC" is equivalent to "a person strives for the excellence everyday!"

Recently, I read an election slogan for legislative councillor. This slogan is quite inspiring to remind me the importance of "be better". Taking this opportunity, I pledge to do better than my best to serve you all! Thank you very much and Happy New Year!

An Interview with our Honorary Advisor

*The Hon. Mrs Rita FAN HSU Lai-tai, GBM, GBS, JP
The President of the Legislative Council*

from Listening and Caring to Social Participation

In the first issue of Harbour Lights 2008, our editorial team has interviewed our Honorary Advisor The Hon. Mrs Rita FAN HSU Lai-tai, GBM, GBS, JP, The President of the Legislative Council. She shared her views with our JC members on the importance of listening and caring in serving the community. She encouraged our members to participate more in public services, especially in the political arena. As our JC members are mostly educated middle class with management experience, they are the pillars of our society and can play the role as a communication conduit between the upper class and the grass-root.

Political Participation

Mrs. Fan said that in the last few years, more and more JC members were interested in politics. A dozen of JC members, for instance, have participated in the recent District Council (DC) elections. In fact, many of those elected DC Members were professionals and did not have any political affiliation. She also pointed out that JCIHK Honorary Life President, Senator A. de O. Sales, was the Chairman of the former Urban Council. Mrs. Fan believed that we needed to better equip ourselves before serving the community. For example, we should broaden our knowledge base and upgrade ourselves so that when opportunities come, we would be able to play a part.

Lessons Learnt through political participation

Being a veteran legislator, Mrs. Fan recalled that when she was first appointed to the Legislative Council by the Governor, she worked really hard to carry out her duties and responsibilities. She said that she would listen to every word and every speech delivered by other legislators and Government officials in each debate in order to learn from them. Furthermore, she would also spend a lot of time and efforts to fully understand the nature of a particular problem by talking to different people, and as such find a solution to solve the problem completely. Although this process was often very time consuming and other people might not recognize her efforts, Mrs Fan still felt happy and had no regret.

What are the essential qualities of a Leader?

As JC is a leadership training organization, Mrs. Fan also shared with us on what essential qualities a leader should possess. As a leader, she said, “listening” is of utmost importance. Even if other people spoke in a monotone, we should still be patient in listening to what they said because we had to respect everyone’s right to speak. Our JC Leaders, especially those chapter presidents should appreciate the art of listening. As we are working together as a team, knowing each other is a must. We cannot just insist on our own viewpoints and ignore others.

In addition to “listening”, Mrs. Fan also emphasized the importance of “observation”. “As Legislative Councillors, we have to listen first and then reflect the public opinion. We have to open our hearts to listen to different views so that we can understand what other people are really thinking and respect their opinion.”

If we don’t listen, don’t observe, how can we work together as a team? What Mrs. Fan said really echoes with the theme of JCIHK 2008 – “We Lead, We Care, We are JCs!”. We ought to care for our members and understand their needs so that everyone would have the feeling of being taken care of. We should ensure that our members realize that they are one of us and that we work together.

Advice to Young People

To conclude, Mrs. Fan advised us to perform our best and help the people in need to create a warmer society. It is hoped that with “listening” and “caring”, our JC members can contribute to the community.

Are you ready to take up the challenges ahead?

訪問名譽顧問

立法會主席范徐麗泰議員GBM, GBS, JP

從聆聽、關心 到參與社會

我們的 Harbour Lights 編委會特別在 2008 年第一期訪問本會的名譽顧問 - 立法會主席范徐麗泰議員 GBM, GBS, JP。曾出席不少青年商會活動的范太，在訪問中與各位會友分享「聆聽」和「關心」對服務社會的重要性，她更鼓勵各位會友，可以透過參政，如助選或競選等，去服務社會。在我們的會友中，大多是擁有高學歷的中產或中層管理人員，他們是社會的中流砥柱，扮演著溝通上層及基層的橋樑角色。

▲ 范太的分享真是令青商會友獲益良多

政治參與

范太表示，近兩三年來，青年商會多了一些會員有興趣參與政治，如在最近的區議會選舉中，不少當選者都是專業人士和沒有政黨背景，而青商更有十多位會員參與是次選舉。范太指出，青商的永遠名譽會長沙理士太平紳士也是前市政局主席，可見青商很早已經有人參政。范太更提醒我們，參與社會服務前必須先裝備好自己，例如要擴闊知識領域和自我增值。在打好基礎後，當機會來臨時，便能事半功倍。

多年參政的得著

范太又與大家分享如何全情投入社會服務。當年獲港督委任加入立法局，成為政治新丁時，范太說自己盡力做好議員的職責，看很多文件。她亦會細心聆聽其他議員或官員的發言，留意他們的措辭、語調及鋪排，以便借鏡作為參考，讓自己有所裨益。此外，她更會花不少時間及精力去了解事情的來龍去脈，並與不同的人士傾談，探究問題的根源，找出既治標又治本的解決方法。因為她深信，找到問題的根本才能把它徹底解決。雖然這個過程很花時間，而且未必為別人所認同，但是她仍感到很開心，而且無愧於心。

領袖的特質

由於青年商會是一個訓練領袖才能的組織，范太也特意與各位會友分享領袖的特質。她指出，作為領導者，須特別留意「聆聽」的重要性。即使聆聽對象的說話方式沉悶，我們也要有耐心地用心聆聽，因為我們必須尊重每個人都有公平的發言權。范太認為各位青商領袖，尤其是當會長的，就更需要懂得聆聽，不能一意孤行，因為大家都是在一個團隊裡共事的。

范太說，在「聆聽」之外，我們還要「觀察」。作為立法會議員，往往需要在聽完別人的說話之後再表達自己的意見，從而反映民意。因此，我們要小心聽取各方面的意見，不明白的就要問，以掌握及綜合有關的情況，並了解別人的真正想法，及尊重別人的意見。

如果我們不聆聽、不觀察，我們又如何發揮團隊精神呢？筆者認為，范太的分享正正和國際青年商會香港總會2008年的口號——「We Lead, We Care, We are JCs!」互相呼應。我們需要關心會員，了解他們的需要，才能令各會員感受到他們是團隊的一份子，我們要令各會員知道我們是和他們一起走，一路上大家是互相照應的。

對青年人的寄語

最後，范太寄語我們青年人要做好本份，有能力的話，就去幫助其他有需要的人，令社會更溫暖。希望各位青商會員以「聆聽」及「關心」，為社會作貢獻。

各位會友，你是否已經作好準備？

▲ 領導者要用心聆聽及尊重每個人的發言權利

Message from Editor

In this issue, we are pleased to have a sharing from our honourable Advisor, Mrs. Rita Fan, GBM, GBS, JP. In the feature story, Mrs. Fan points out the essential qualities of a leader, and also encourage the young peoples to actively participate in the community as and the political arena. In the very beginning of the year of 2008, the year plan and area highlights demonstrate the directions of the National Board. Of course, some of National Board activities have been reported!

We do not only adopt a new design for this issue, but also added a bilingual version to our feature story. We hope that all these changes can improve the readability of the Harbour Lights. In fact, our theme signifies the effort of newly elected National Board of Directors in year 2008. We are all devoted young person and show our determination to become better leader. We take the pledge and work hard towards our 2008 Presidential Theme – “We Lead, We Care, We are JCs!”

May I take this opportunity to thank the joint effort of our National President Senator Eric Tang, National Legal General Counsel Senator Gene Tang, National Publication Director Alfred Fung and our JCIHK Report Vincent for this issue of Harbour Lights. Their commitments and advices are highly appreciated. Without them, this issue could not be published within such a short period of time.

Some JC members feel curious that why a National Honorary Treasurer becomes the supervising officer in the area of Publication. This is the magic of being JC. It is because JC members always take new challenges. Don't you agree that life is boring without any challenges? We are all young people. We should think out of the box and contribute ourselves in different areas so as to achieve “positive change” which is mentioned in the mission statement of Junior Chamber International.

Let's work hard together and becoming a caring leader.
Are you ready to take the new challenge?
